HOW TO USE THE DIRECTORY

Refer to a person's name in Who's Who, which is followed by the firm's name.

The firm's name in the List of Hongs gives the business address and other information.

 A private address in the Street Directory gives the position of the house, the name of the street in Chinese, etc.

A person's name in the Residential Directory is followed by the resident's private address.

Special Attention is drawn to the Agency List following the Shanghai Hongs. This contains about 3,500 agencies held by Shanghai firms. If you wish to find the agent of some particular motor-car, electrical battery or engine, refer to this list, which will give you the local agent's name.

Preceding this page will be found:—

THE NORTH-CHINA DAILY NEWS

A morning newspaper seven days a week

THE NORTH-CHINA DAILY NEWS has for upwards of a century been recognized and quoted as the leading China foreign Newspaper. It has created for itself, and established for others, a model of what is required by readers and advertisers: a balance of news and opinion, a complete and impartial view of both Chinese and Foreign Affairs, Financial Surveys, Sport, Recreation and Literature.

Writers of several nationalities write on all subjects of national and popular interest, and reviews of plays and cinemas appear regularly. The advertising appeals to the highest class of readers—and the wealthiest.

THE NORTH-CHINA DAILY NEWS*A morning newspaper seven days a week*

THE NORTH-CHINA DAILY NEWS has for upwards of a century been recognized and quoted as the leading China foreign Newspaper. It has created for itself, and established for others, a model of what is required by readers and advertisers: a balance of news and opinion, a complete and impartial view of both Chinese and Foreign Affairs, Financial Surveys, Sport, Recreation and Literature.

Writers of several nationalities write on all subjects of national and popular interest, and reviews of plays and cinemas appear regularly. The advertising appeals to the highest class of readers—and the wealthiest.

Subscription Rates:

Shanghai, Chi. \$84 per annum; Other parts of China, Chi. \$92 per annum.

THE NORTH-CHINA DAILY NEWS

A morning newspaper seven days a week

THE NORTH-CHINA DAILY NEWS has for upwards of a century been recognized and quoted as the leading China foreign Newspaper. It has created for itself, and established for others, a model of what is required by readers and advertisers: a balance of news and opinion, a complete and impartial view of both Chinese and Foreign Affairs, Financial Surveys, Sport, Recreation and Literature.

Writers of several nationalities write on all subjects of national and popular interest, and reviews of plays and cinemas appear regularly. The advertising appeals to the highest class of readers—and the wealthiest.

Subscription Rates :

Shanghai, Chi. \$84 per annum ; Other parts of China, Chi. \$92 per annum.

THE PUBLISHER, NORTH-CHINA DAILY NEWS

The News of the Week

Complete and authentic in its statement of facts, not rumours ; trenchant and witty in its cartoons and other features, and well illustrated by photographs—the "North-China Herald" is the newspaper to send to family and friends abroad.
